

Hiring for: Part-Time Photo & Video Intern to start immediately and remain available for Summer & Fall 2020

One World Enterprises

One World Enterprises is comprised of multiple brands found around Bloomington! We love to hire local and get insight into our marketing practices from students. One World is Pizza X, Lennie's, Bloomington Brewing Company, Hive, One World Catering & Events, One World at Woolery Mill, and One World KitchenShare.

Photo & Video Intern

The photo & video intern will be responsible for staging and capturing photographs of products, customer experiences, and "behind the scenes" images for each of the One World brands. This position also entails creating short promotional videos for social media. In addition to photography and videography skills, a successful photo & video intern candidate should be proficient in photo/video editing, recommending and applying filters, and utilizing other post-production effects to create professional-grade media, creating cohesion between the look and feel of each brand's images.

Responsibilities:

- Collaborate with Marketing staff to develop concepts, shot lists, and other production planning
- Effectively communicate marketing messaging and brand identity through photo & video
- Research trends in hospitality photography & videography and seek out additional educational opportunities to improve photo quality
- Organize and manage photo & video archives for each brand
- Collaborate with the digital team to develop media strategy

Skills/Qualifications:

- Currently enrolled in Indiana University
- Commit 10-20 hours per week (flexible schedule)
- Photography & videography knowledge and skills required
- Proficiency in photo and video editing software
- Ability to evolve projects at the request of team
- Strong verbal and written communication skills
- Willingness to take initiative
- Ability to take direction and collaborate
- Works well both individually and in a team environment
- Availability on nights, weekends, and during IU holidays/break
- Prompt and reliable
- Exhibits creativity and versatility
- Strong organization skills
- Possess a valid driver's license with the ability to be insured by One World Enterprises

Benefits:

- Paid internship
- College credit available
- Build your portfolio of work
- Pizza X discount
- Discount at all other One World Enterprises establishments
- Flexible hours

How to Apply:

Email internmanager@bloomington.com with your resume and include a list of software knowledge and include attachments of your work or a link to a portfolio. There is a 2-phase interview process if accepted.
